Course	Course	Occupational Alignment	Status
		Family Health Consulting/Services Administration.	Approved
		Family Health Consulting/Services Administration.	Approved
		Family Health Consulting/Services Administration	Approved
		Art director, media director, PR manager, graphic arts, content creator.	Approved
		Art director, media director, PR manager, graphic arts, content creator.	Approved

		Commercial Photography, (live shots or video)-Advertising, Menus, Social Media advertiser for a restaurant or fast food industry.	Approved
		Commercial Photography, (live shots or video)-Advertising, Menus, Social Media advertiser for a restaurant or fast food industry.	Approved
		EMT, Emergency Responder, Search and Rescue, Sports Medicine, First Responders, Medical Personnel.	Approved
		Medical careers, health services, first responders, search and rescue.	Approved
		Medical careers, health services, first responders, search and rescue.	Approved
		Home health care aid, nutritionist, life coach, social worker, medical assistant and nursing assistant.	Approved

		Pediatrician; Pediatric Dentist; Nurse; Dental Assistant' Healthcare worker.	Approved
		Pediatrician; Pediatric Dentist; Nurse; Dental Assistant' Healthcare worker.	Approved
		Athletic Trainer and Conditioning Coach, Physical Therapy Assistant, Sports Medicine Aid.	Approved
		Chef, restaurant owner, food safety inspector, server.	Approved
		Preparation for careers in digital media marketing, company branding, social media marketing, videographer.	Approved

		Computer Science Engineer	Approved
		Personal trainer.	Approved
		Personal trainer	Approved
		Personal Trainer.	Approved

		Personal trainer	Approved
		Personal trainer.	Approved
		Athletic Trainer and Conditioning Coach, Physical Therapy Assistant, Sports Medicine Aid.	Approved
		Athletic Trainer and Conditioning Coach, Physical Therapy Assistant, Sports Medicine Aid.	Approved
		Athletic Trainer and Conditioning Coach, Physical Therapy Assistant, Sports Medicine Aid.	Approved

		<p>This sequence of courses will support training students in continuing their education and/or certification related to working in the theater industry including producer/director, lighting/sound technician, special effects artist, sound editor, production assistant, set/stage designer, videographer, broadcast engineer.</p>	Approved
		<p>This sequence of courses will support training students in continuing their education and/or certification related to working in the theater industry including producer/director, lighting/sound technician, special effects artist, sound editor, production assistant, set/stage designer, videographer, broadcast engineer.</p>	Approved
		<p>Leads to Careers in Education and business management.</p>	Approved
		<p>Entrepreneurship-Photography Studio; Event/Independent photographer</p>	Approved

		<p>This sequence of courses will support training students in continuing their education and/or certification related to working in the theater industry including producer/director, lighting/sound technician, special effects artist, sound editor, production assistant, set/stage designer, videographer, broadcast engineer.</p>	Approved
		<p>Leads to careers in social and human services.</p>	Approved
		<p>Leads to careers in social and human services.</p>	Approved
		<p>Leads to Careers in Education and business management.</p>	Approved

		Preschool teacher, elementary school teacher, secondary teacher, school counselor.	Approved
		Chef, restaurant owner, food safety inspector, server.	Approved
		Pursue employment in the military in the field of Computer Science, such as Computer Systems Programmer.	Approved
		Pursue employment in the military in the field of Computer Science, such as Computer Systems Programmer.	Approved
		EMT, Emergency Responder, Search and Rescue, Sports Medicine, First Responders, Medical Personnel.	Approved
		Design Engineer, Systems/Project Manager, Mechanical Engineer	Approved

		Pursue employment in the military in the field of Computer Science, such as Computer Systems Programmer.	Approved
		Entrepreneurship-Photography Studio; Event/Independent photographer	Approved
CIP: 120500 Nutrition & Food Prep 1 C (SCT163) Program Area: Family + Consumer Science 0.25 credits IRC: Precision exam	CIP: 120500 Nutrition & Food Prep 1 D (SCT164) Program Area: Family + Consumer Science 0.25 credits IRC: Precision exam	Chef, restaurant owner, food safety inspector, server.	Approved
		Biology Lab Tech, Research Tech, Medical Lab Tech, Medical Research, Medical Innovation.	Approved
		Biology Lab Tech, Research Tech, Medical Lab Tech, Medical Research, Medical Innovation.	Approved

		Dietician, Personal Trainer, Nutritionist, Child Care worker	Approved
		Dietician, Personal Trainer, Nutritionist, Child Care worker	Approved
		Dietician, Personal Trainer, Nutritionist, Child Care worker	Approved
		Dietician, Personal Trainer, Nutritionist, Child Care worker	Approved
		Dietician, Personal Trainer, Nutritionist, Child Care worker.	Approved

CIP: 120500 Nutrition & Food Prep 1 D (SCT164) Program Area: Family + Consumer Science 0.25 credits IRC: Precision exam		Chef, restaurant owner, food safety inspector, server	Approved
		Pursue employment in the military in the field of Computer Science, such as Computer Systems Programmer.	Approved
		Preschool teacher, elementary school teacher, secondary teacher, school counselor.	Approved
CIP: 140102 Physics in the Universe C (SSC203) Program Area: STEM 0.25 credits IRC: Precision Exams	CIP: 140102 Physics in the Universe D (SSC204) Program Area: STEM 0.25 credits IRC: Precision Exams	Students will develop skills to prepare them for careers in the Engineering and information support fields to work in positions like engineering design, software engineering, information technology, and systems engineers.	Approved
		Design Engineer, Systems/Project Manager, Mechanical Engineer	Approved

		Aeronautical Engineer, Pilot/Co-Pilot, Aircraft and Avionics Mechanic, Aerospace Systems Engineering, Electrical/Software Engineer, etc	Approved
		Aeronautical Engineer, Pilot/Co-Pilot, Aircraft and Avionics Mechanic, Aerospace Systems Engineering, Electrical/Software Engineer, etc	Approved
		Design Engineer, Systems/Project Manager, Mechanical Engineer	Approved
		Design Engineer, Systems/Project Manager, Mechanical Engineer	Approved
		Advertising Photography; Food writer/photographer; blogger; Web Marketing Manager	Approved

		Students will develop skills to prepare them for careers in the Engineering and information support fields to work in positions like engineering design, software engineering, information technology, and systems engineers.	Approved
		Students will develop skills to prepare them for careers in the Engineering and information support fields to work in positions like engineering design, software engineering, information technology, and systems engineers.	Approved
		Students will develop skills to prepare them for careers in the Engineering and information support fields to work in positions like engineering design, software engineering, information technology, and systems engineers.	Approved
		Computer Science Engineer	Approved
		Computer Science Engineer	Approved
		Advertising Photography; Food writer/photographer; blogger; Web Marketing Manager	Approved

		Aeronautical Engineer, Pilot/Co-Pilot, Aircraft and Avionics Mechanic, Aerospace Systems Engineering, Electrical/Software Engineer, etc	Approved
		Students will be prepared to become an Environmental Engineering Technician Biotechnology systems and Natural Resource Specialist.	Approved
		Students will be prepared to have a career in the field of agriculture. For example, Farmers, Ranchers, Landscapers, Agriculture Bankers.	Approved
		Students will be prepared to have a career in the field of medical photography. For example, Medical Photographer, Hospital Photographer, In-hospital New Born Photographer.	Approved
		Students will be prepared to become Environmental Engineering Technicians, Biotechnology Systems, and Natural Resource Specialists.	Approved

		Students will be prepared to become an Environmental Engineering Technician Biotechnology systems and Natural resource specialist.	Approved
		Students will be prepared to become an Environmental Engineering Technician Biotechnology systems and Natural resource specialist.	Approved
		Students will have opportunities in careers as a Medical Illustrator, 3D animation with the human body, technicians, health information technician, and physical therapist assistants.	Approved
		Students will have the opportunity to enter in Manufacturing Production, Installation and Repair, Research & Development, Innovator, Machinist, and Programmer. They can also use their skills to manufacture body parts and work with the medical field.	Approved
		Students will be prepared for professions such as camera operator, conceptual artist, and photographer.	Approved

		Students will be prepared to become an Environmental Engineering Technician Biotechnology systems and Natural resource specialist.	Approved
		Students can pursue careers in design of biomedical equipment and devices, body parts, install, repair and provide technical support within the medical field.	Approved
