

NO INTERACTION AGREEMENT

School:

Students:

Date:

Reason for Plan

On (insert date), (insert student names) signed a "No-Interaction Agreement" as a result of (insert details for no-interaction agreement).

Agreements:

- No direct interactions are allowed between (insert student names). Direct interactions include: conversations, non-verbal interaction (gestures, glances, expressions, etc.), or the use of text messages, emails, or any social media contact that is sent directly to any of the students involved in the No Interaction Agreement.
- No indirect interactions are allowed between (insert student names). Indirect interactions can include (but not limited to): talking about these students with other peers or having other peers interact with these students on the behalf of one of the students listed above.
- No Interaction Agreement extends to all settings at school, including transportation and student bus stops. It also includes the expectation that students do not use social media to interact with each other outside of school.
- All students agree to report any intentional or unintentional interactions that occur between them.

Next Steps:

- Plan Review Date: (insert plan review date)
- Plan for converting to Interaction Agreement: Both students and parents must agree they are ready for a transition to an Interaction Agreement.
