Notes

How has this item

been secured?

In order to ensure all school buildings are suicide safe (i.e. medicine in nurse's office is properly locked, there are no chemicals around, etc.), [insert name of staff member, i.e. the custodian, athletic director, etc.] will conduct an environmental scan of the building [annually, bi-annually, monthly] and will write a brief report that will be sent to the [principal/designee, etc.]. In the event that [insert name of staff member conducting the environmental scan] does find something of concern in the school building, the [principal, vice principal, etc.] will be in charge of resolving the issue within [insert timeframe].

*Please fill out this Environmental Scan Checklist to help keep track of regular environmental scans. Please adapt and edit as it applies to your specific school.
