This is what you will see in the computer when selecting your electives:

Notice that the course code for your **alternate** is the SAME as the course code for your **first choice**!

Each class is only a first choice **OR** an alternate choice.

**FIRST CHOICE:**

<input type="checkbox"/>	Choir I	901MUS	0.0000	--- Make Course an Alternate ---
--------------------------	---------	--------	--------	----------------------------------

**ALTERNATE:**

<input checked="" type="checkbox"/>	Band I	909MUS	0.0000	Alternate to this Course: (901MUS)
-------------------------------------	--------	--------	--------	------------------------------------

**What is an alternate choice?** If you can't get your first-choice class, we will try to give you your alternate (second choice) class instead.

### Making Fine Arts and Electives Choices
