

# Planning for My Post- Secondary

Name

Teacher

Semester/Year

# Introduction

- **Prompt:** Prior to your senior year what thoughts did you have about where you saw yourself after high school?

# Career Exploration

- **Prompt:** Based on your interests and/or your results from the Career Interest Profiler, what are possible future careers you are interested in pursuing?

# Potential Post-secondary Options

- **Prompt:** Based on your exploration of post-secondary options within your interests, identify three options to lead you to your future career goal.

Option A	Option B	Option C
Post-secondary plan:	Post-secondary plan:	Post-secondary plan:
Potential plan benefits:	Potential plan benefits:	Potential plan benefits:
Potential plan challenges:	Potential plan challenges:	Potential plan challenges:

# Financing My Education

- **Prompt:** Based on the information you learned about financial aid and scholarships, what would be the overall cost of attendance for each option. In addition, what would be your preference based on potential financial aid awards and scholarships?

# Financial Literacy

- **Prompt:** What is one of the most important things you learned through EverFi and any additional financial literacy lessons related to managing your own finances and how will you use this in the future?

# Career Readiness

- **Prompt:** After you have created a resume, cover letter, and participated in a mock interview, describe your understanding of the job application process and what you learned about yourself.

# My Potential Next Steps

- **Prompt:** After completing the CCRS course what are your next steps after graduation?
