

Happy Earth Day all! Let's take a moment to really appreciate this majestic place we live! What is your favorite way to be in nature? I love water, so I love lake days!

- National Jelly Bean Day (not my favorite snack)
- National I.T. Service Provider Day (got LITS team!)
- Girl Scout Leader Appreciation Day (I lasted 2 weeks in Brownies as I realized that the goal wasn't to eat or make brownies 😞)
