If your name has an asterisk next to it (*), it means that you do not get your normal prep period this day. Because there are multiple people in each room, this will allow you to take your prep time during testing. Please work out with your room partner or a hall monitor the time that you will do this.	
Please wait until at least 8:00 am before doing this to ensure we get students up and running with their tests.	

PLEASE REMEMBER THAT ALL HALL MONITORS
MAY ALSO BE ASKED TO BE A BACKUP PROCTOR
IN THE EVENT OF ANY ABSENCES!
