

Skills Required to be Successful

These are skills you NEED to successfully use the cause and effect target (LA07)

1. To be able to tell the difference between a cause and an effect
2. To identify signal words
3. To use prior knowledge
4. To identify cause and effect in different ways (single and multiple causes and effects)

Benefits of understanding Cause and Effect

How will cause and effect benefit me, as a student?

1. Increases my ability to use CAT, focusing on analysis and thinking critically
2. Helps in problem solving and making decisions (MSCP)
3. Cause and effect is also used in Science, Social Studies, and Literature
