

# Cinder Edna - Inference Graphic Organizer

Pages 5 - 7

Author's Words (AW)		Prior Knowledge (PK)		Inference
Instead she had used her cage-cleaning money to put a dress on lay-away for just these kinds of occasions.	PLUS	Fairy godmothers do not exist and cannot provide a dress for a special occasion.	EQUALS	
The fairy godmother was surprised that her god-daughter couldn't seem to figure out anything for herself.		I know someone who relies on others for solving every problem. I worry about this person!		
Cinder Edna took the bus.		People without a car (like Cinder Edna) can always take the bus to travel.		
People without a car (like Cinder Edna) can always take the bus to travel.		The people I know of like this are more concerned with their appearance than with having fun or being active.

"Excuse me, but we recycle plastic around here," said a little man ...	PLUS		EQUALS	
He lives in a cottage in the back and runs the recycling plant and a home for orphaned kittens.				
Cinder Edna and Rupert danced and danced.				
They were deep in conversation about gum wrappers and rusty tin cans when the clock began to strike twelve.
