INFORMATION ON VOCABULARY BOOK "PILOT"

As you know, we were short a few Vocabulary Cartoons books for grades 7 & 8. They were quickly ordered, but when they arrived...guess what? It was a new edition of the book. The updated version appears to contain the same words as the previous edition, but in the latest print, the words are arranged in alphabetical order.

Michelle tried to get the older version but they are no longer available. So...this is how we'll deal with it. I'm attaching a list of words for grades 7 & 8. The teachers who receive the new books will need to follow the lists and find the appropriate page in the book by looking alphabetically. It's obviously not difficult, but it is an extra step.

Please let me know if you have questions. Thanks for being accommodating.
