Step 1	Step 2	Step 3	Step 4			
			Evaluate the character's decisions:			
What is the action the character takes? (Text based)	What were the consequences? (Text based and/or inferred information)	Why did the character act in this way? (Text based and/or inferred information)	What flaws were there in the character's thinking? Support your answer.	What logical reasons support the choices made? Support your answer.	Do you agree or disagree with the characters reasoning? Support your answer.	Does the character's treatment of the other characters seem fair? Why or why not?

					More Evidence:	More Evidence:

Step 5: What is the most important conclusion that can be drawn from the selection?

Do what it takes to survive unbelievably hard situations.
Stand up for what you believe in (the lifeskill of Courage)
Luck: You just never know – you might get lucky

Step 6: What would you do in a similar situation? Why?

I would give up because I would probably not get out anyway.
I would close myself off to any emotions because ----- ???????
I would do what I was told to do because ----- ??????????
I would not follow directions because they will shoot me anyway.
