

Fine Arts Classroom Based Performance Assessments

Assessment: Middle School Visual Arts (“Other Strategy” allowed by state law.)

Student Population: Grade 8 students who receive instruction in the Visual Arts from a Visual Arts specialist.

Class: Grade 8 Visual Arts

Frequency of Testing: Once per grading period with new students.

Directions: Students will complete a one-point perspective drawing assignment. Teachers will use a common assignment checklist.

Time Requirement: Teacher will determine the appropriate length of time students have to complete the assessment. Assessment will be completed approximately by the end of each grading period.

Scoring: Teacher will score assessment using a teacher created rubric as they would other Visual Arts assignments in their class.

Reporting: Number of students participating will be e-mailed to Curriculum Office for the purposes of reporting to OSPI. Reporting due date will be set based upon the OSPI reporting due date.
