

Speed-Booking

Prepare your Speed-booking Book Bio - The goal is to make a match. You have 1 minute to convince your speed-bookers to read your book next. Think about what would convince you to read a book and prepare to share it on (This is verbal not written.)

Things to think about:

- Explain why you like the book?
- What is the genre?
- Describe a character you liked the best and explain why.
- Do any of the characters remind you of someone else? Explain.
- Describe the setting of the book.
- Describe something from the book you could really visualize.
- Describe the emotions you felt while reading the book.
- Describe a character that made you mad.
- Describe a character you liked.

Bring your book (and charm) to class tomorrow and convince others to read it.
