December 3, 2010 ☐ March 4, 2011 ☒ **June 3, 2011**

The following is a log outlining the duties spent by the CTSO Advisor:

Advisor's Name:		Scott Shafer
Date Worked	# of Students Participating	Work Performed
Jan 4	9	Students get organized for state and reconnect with projects after vacation
Jan 11		No Meeting due to staff meeting
Jan 18	5	Tech Fair – students demo TSA projects
Jan 25	7	Clean up and organize material from tech fair. Robotics team starts construction on robot.
Feb 1	12	Film team working on script, a few students working on music, drafting and architectural models.
Feb 6	11	Pre production for film, work on audio and architectural model. Vex Team works on robot. Slow going.
Feb 15	12	Parent volunteers joins VEX group. We spend the afternoon getting to know each other and sketch out plans for being competitive at state.
Feb 22	15	Meeting about who will defiantly be going to state and what the cost will be. Students bring in notebooks for review.
Feb 29	15	Update on who is going to state. VEX team practice competition events with new material purchased. Parent volunteer making a big difference. Group has direction. Video team is editing and still has one more scene to shoot. Student working on architectural model is on track.
March 7	5	No meeting Curriculum Night- TSA students set up demo booth in cafeteria.
March 14	11	Students work with groups on state projects, Robotics team works with parent volunteers to refine robot
March 21	15	Prep for State competition-last minute paper work and logistics.

Advisor's Name:		Scott Shafer
Date Worked	# of Students Participating	Work Performed
March 28		No Meeting
April 4		No Meeting- Spring Break
April 11	7	Reviewed state results, made list of material for VEX team for next year and made list of companies we could approach for additional funding.
April 18	12	TSA Party
April 25	6	Coordinated with parent volunteer to find funding for VEX group for next year. Students brained storm ideas and will report back next week.
May 2	6	Vex Team meat but had nothing to report back. We spent time doing some research and came up with a wish list and funding needed. We figured \$1200 is what we needed to be operating at the level this years winners we operating.
May 9	8	Played with VEX robot and talked about next year. Started to disassemble robot for summer storage.
May 16		No meeting today- staff meeting Students have been coming in during PAWS to finish up with robot. Some of the photo and video students are preparing their work for other contest such as the Northwest High School Film Festival. We have one Student going to nationals and she is working on formatting her photographs.
May 23		No Meeting
May 30		No Meeting State Testing
June 6		
June 13		
June 20
