

February 18, 2003

Dennis Senac
Saturn of Lynnwood
17305 Highway 99
Lynnwood, WA 98037

Dear Dennis,

It was nice to meet you at Gateway Middle School last week. I appreciate your participation in the interest fair. These fairs give our young people visions of what the future may hold for them.

Enclosed is information about our Automotive Advisory Committee that I would like you to consider serving on. The next meeting of this group will be March 11, 2003 at 6:00 p.m. at the Cascade High School Auto Shop.

The Career and Technical Education program in Everett Public Schools contains four areas of learning; business and marketing, health and human services, agriculture and science and technology and industry. Each committee is made up of representatives from industry and serves to give feedback to ensure that lessons taught in the classroom align with industry standards. As a member of this committee you will be asked to give input in your area of expertise.

Enclosed in this packet you will find:

- Automotive Advisory Committee Job Description
- Advisory Committee overview brochure
- Everett Public Schools Partnership Brochure
- Everett Public Schools District Guide and Boundary Map

Please take time to review the enclosed information and feel free to call me with any additional questions.

Sincerely,

Lauren Hadley
Partnership Coordinator
