

ADVISORY COMMITTEE MINUTES

Date: 11/10/10 Page 2

Time: 5:00pm

Location: Cascade High Faculty Lounge

In attendance: P. Smith-Cascade High School, Gene Keirnan-Auto Tech,
Jack Pennington-Pignataro VW, Richie Del Puerto-SnoIsle
Skills Center, Carl Fender-Everett SD, Mike Plumb-
Cascade High (retired), Mike Fisher-Les Schwab Tires
Silver Lake, Ed Ottinger-Action Auto Parts Everett, Ron
Olsen-AYES

Subject: Skill USA

Discussion: Smith reported on club activities and years prospects.
Smith/Olsen reports that Shoreline CC has elected not to
host/sponser and conduct the Skills competition this year.
Smith/Olsen reported that they discussed this with several
instructors at the WASTS conference and are working with
some to develop a competition.

Action/Proposal: Smith and Del Puerto will discuss this issue further at
SnoIsle's Advisory Meeting on the 18th. Del Puerto has
indicated that the SnoIsle facility could host something
of this size. Smith will contact other instructors and
Skills admin after the meeting to formulate an
implimentation plan.

Subject: AYES outlook and Report

Discussion: Olsen reports that we will be working towards summer internships again this year and suggests we investigate beyond dealership networks into independants and fleets. Mike Fisher will help Smith with some fleet contacts to provide job opportunities and shadow prospects

Action/Proposal: Smith will contact some independents and fleet supervisors

Subject: Job Shadows

Discussion: Group discussed expanded job shadows for this school year to include possibly some fleets and independent shops and accommodate more students. Smith and Fender will explore providing transportation to students as getting students to and from was a difficulty last year. Mike Plumb offered to sub for Smith so he could transport students to and from shadow activities and supervise students at job sites. Review of last years process of students spending 2-3 hours per site group felt this was most effective. Smiths wife Adrienne has volunteered to help organize activities. Fender suggests shadow activities should move students towards certification exams and into internships.

Action/Proposal: Explore transportation issues, contact fleet and independent shops. Work with logistics.

Agenda Items for Next Meeting:

2/23 meeting will be mostly 2.5 year review

Other agenda items tbd

Next Meeting Date: February 23/2011

Time: 5:00PM

Location: Cascade High School Faculty Lounge

Meeting Adjourned (time) 6:30 PM
