NEW BUSINESS

2-year Plan

The 2-year plan was reviewed and approved by the Advisory Board.

John Patella will email some information to us on the accounting package they use at Everett Community College. Barbara Renard suggested an accounting program called SAP.

It was suggested by Barb Renard that we look into the Everett Public Schools Foundation Breakfast which is usually held in the spring. This might be a good opportunity for us to promote our CTE classes. It was also suggested by Dianne Johnson that we talk to our first semester Info Tech students about our class offerings in CTE.

Our meeting was adjourned at 3:15p to attend a presentation by Susan Quattrociocchi, PD.D., Living, Learning and Earning in America.
