Dear Tammy,

It was great to speak to you on the phone last week. I received your packet and appreciate the immediate response to our conversation. I am happy you will serve on the Business and Marketing Advisory Committee and wanted to send you information about this group. Our first meeting for the year will be a combined meeting with other committees, tentatively scheduled for January 30, 2003.

The Career and Technical Education program in Everett Public Schools contains four pathways of learning; business and marketing, health and human services, agriculture and science and technology and industry. Each committee is made up of representatives from industry and serves to give feedback to ensure that lessons taught in the classroom align with industry standards. As a member of this committee you will be asked to give input in your area of expertise.

Enclosed in this packet you will find:

- Business and Marketing Advisory Committee Job Description
- Advisory Committee overview brochure
- Everett Public Schools Partnership Brochure
- Everett Public Schools District Guide and Boundary Map

Please take time to review the enclosed information and I look forward to seeing you in the new year. Please feel free to call me with any additional questions.

Sincerely,

Lauren Hadley
Partnership Coordinator
