Agenda Items:

Welcome

Glen Sayes gave a tour of the Lumina Digital Studios corporate headquarters which included a look at an impressive studio space.

Two-year Plan

Committee members approved the two-year plan as submitted.

Student Recognition Follow-up

Everett teachers summarized the strategies and success of the focus this year on student recognition ideas that came directly from our community members. Large prints of digital photography work donated by Lumina Digital Studios and various other promotional activities seemed to make a positive impact on attracting new students to CTE programs.
