

**Agriculture and Horticulture Advisory Committee**  
**Everett High School**  
**Legion Park-Horticulture Classroom**  
**May 20, 2008 - 3 - 4:30 p.m.**

**Attending Members:**

Teachers-John Romann, Tammy Price  
Community Members-Dee Drake, Mike Mustell  
CTE Dept-Lauren Hadley

**Two-year Plan**

Cascade Horticulture Greenhouse continues to need repairs.  
    Watering System  
    Misting System Overhead  
        PVC-John Romann offered to put it with the correct supplies

Everett Floriculture Program  
    No major equipment needed  
    Will request a Cash Register next school year for campus sales  
    Teacher Desk Chair-will try to locate a surplus chair-none on campus  
    Tammy filled out a couple of grants this year, but didn't get them.  
        Will try again.

**Follow-up on student recognition**

Tammy surveyed students about this matter.

- Most students not that interested in a certificate, unless they are college bound and can mention it with college applications
- Cash Awards were mentioned by students!!
- Food coupons-gift card for pizza, Starbucks, etc.
- Big bag of candy!
- Maybe just a bulletin board announcement in class
- Blurb in the newspaper, not very intriguing to students.

**Volunteer recognition**

Thank you certificated were given to attending members for their willingness to volunteer on our committee.

**Other**

Cascade Horticulture Class has been working with the Presbyterian Church across the

street from the school in planting and tending a Pea Patch for Food Bank/Homeless assistance. Lots of vegetables like peas and potatoes have been planted and the students are excited as things begin to grow. It was a good opportunity for Cascade students to actually get to work in a garden.
