Dear Karsten,

It was good to meet you last week at the North Middle School Interest Fair. As per our conversation, enclosed is information about the Health and Human Services Advisory Committee. I hope you will agree to serve on this committee.

This group will meet two more times between now and the end of school; March 4, 2003 from 3:00 – 4:30 p.m. at Everett High School room 126 and May 6, 2003 from 3:00 – 4:30 p.m. at Jackson High School room B-206.

The Career and Technical Education program in Everett Public Schools contains four areas of learning; business and marketing, health and human services, agriculture and science and technology and industry. Each committee is made up of representatives from industry and serves to give feedback to ensure that lessons taught in the classroom align with industry standards. As a member of this committee you will be asked to give input in your area of expertise.

Enclosed in this packet you will find:

- Health and Human Services Advisory Committee Job Description
- Advisory Committee overview brochure

- Everett Public Schools District Guide and Boundary Map

Please take time to review the enclosed information and I will talk with you next week about your participation. Please feel free to call me with any additional questions.

Sincerely,

Lauren Hadley
