

**Health and Human Services Advisory Committee
H.M. Jackson High School
February 25, 2008 - 3 – 4:30 p.m.**

3:00 Welcome

3:05 Student recognition – Discuss ways to integrate a program that recognized students for their achievements. This program could be quarterly or each semester. How can advisory leaders be a part of recognizing student success?

One idea is to offer certificates of proficiency to students who earn a B or better. Is this an adequate measure or are there examples from industry that would be more appropriate?

3:40 Program growth and marketing – Discuss ways to grow the health and human services program. What are staff and students doing to showcase the health and human services program? Are there other ways that can be added?

4:10 Student Intern Opportunities – What opportunities are there in the community to provide internships for students?

4:30 Adjourn

Upcoming meeting: May 5, 2008
