Meeting begin @ 6:40 AM with introductions including roles, job sites

Jamie Ablutz was named Community Chairperson

Brenda Black gave an overview of the history, current status of program at Jackson HS - 3 Intro to Sports Med classes, 4 Sports Med 1 students with John Barhonovich as Internship teacher

Carl Fender gave overview for Everett, no program at this time, and Cascade one class with evaluation of internship class situation.

A discussion of industry news followed, mostly about insurance issues and changes in the education needed to become a Physical Therapist - now need a "Clinical Doctorate".

We discussed the changes in CPR and emergency 1st Aid.

Jamie explained that clinics look for employees that are on time, nicely dressed (no jeans, t-shirts) and have a clean, neat appearance, and are self-directed. Background checks are common now.
