Dear John,

Thank you continuing to serving on the Technology and Industry Committee. Enclosed you will find information about this group.

The Career and Technical Education program in Everett Public Schools contains five areas of learning; automotive, business and marketing, health and human services, agriculture and science and technology and industry. Each committee is made up of representatives from industry and serves to give feedback to ensure that lessons taught in the classroom align with industry standards. As a member of this committee you are asked to give input in your area of expertise.

Enclosed in this packet you will find:

- Technology and Industry Advisory Committee Job Description
- Everett Public Schools Partnership Brochure
- Everett Public Schools District Guide and Boundary Map

Looking forward to seeing you on the 23<sup>rd</sup>. Please feel free to call me with any additional questions.

Sincerely,

Lauren Hadley  
Partnership Coordinator
