Dear Rosanne:

I thank you for agreeing to serve on the Work Based Learning Advisory Committee. Vocational advisory committees help to ensure that students graduate with a career plan and enter the workforce with current job specific skills.

The Career and Technical Education program in Everett Public Schools contains seven areas of learning, each with their own advisory committee. Each committee is made up of representatives from industries that give feedback to ensure that lessons taught in the classroom align with current standards. As a member of this committee you will be asked to give input in your area of expertise.

Enclosed in this packet you will find:

- Work Based Learning Advisory Committee Job Description
- Everett Public Schools Partnership Brochure
- Everett Public Schools District Guide and Boundary Map

The next meeting of the Work Based Learning Advisory Committee will be 3:00 p.m., October 26, 2004 at Sequoia High School. Additional meetings are scheduled for March 8, 2005 and May 3, 2005 at 3:00 p.m.

Please take time to review the enclosed information and feel free to call me with any additional questions.

Sincerely,

Lauren Hadley  
Partnership Coordinator
