

**Work Based Learning Advisory Committee
Everett High School, receptionist conference room
February 28, 2008 – noon – 1:00 p.m.**

12:00 Welcome

12:05 Student recognition – Discuss ways to integrate a program that recognized students for their achievements. This program could be quarterly or each semester. How can advisory leaders be a part of recognizing student success?

One idea is to offer certificates of proficiency to students who earn a B or better. Is this an adequate measure or are there examples from industry that would be more appropriate?

12:40 Program growth and marketing – Discuss ways to grow the work based learning program. What are staff and students doing to showcase the work based learning program? Are there other ways that can be added?

1:00 Adjourn

Upcoming meeting: May 5, 2008
