

Dear Valued Community Member

This year Everett Public Schools Career and Technical Education (CTE) Department is looking at a new approach to how community advisories / partnerships are designed and executed. We greatly appreciate and value your commitment to Career and Technical Education and our community in which we live and work. The kickoff that was tentatively scheduled for Monday October 10<sup>th</sup> has been cancelled and we are currently looking at other options for celebrating our students successes with all community advisories.

We do value your input and participation in the past and would like you to consider being a part of our advisory again this year. If you could please email or call Diane Storm of your intent we would greatly appreciate this. Diane may be reached by emailing [dstorm@everettsd.org](mailto:dstorm@everettsd.org) or calling (425) 385-4073.

Thank you for your continued support and partnership to better serve our students of Everett Public Schools and to help prepare them for their future.

Carl
