

Friday Report: February 11, 2014
Subject: Students earn Industry Certification

Date Submitted: February 14, 2014
Submitted by: C Fender

One of many Career and Technical Educations (CTE) annual reporting elements for the Office of Superintendent for Public Instruction (OSPI) is industry certification. First semester 2013-2014 school year, there were a total of **535** students who have earned and obtained industry certifications compared to a total of **481** during the whole 2012-2013 school year. The breakdown is as follows

- 431 students have earned [National Career Readiness Certification \(NCRC\)](#) in the areas of Applied Mathematics, Locating Information, and Reading for Information.
 - 263 students received Bronze certification.
 - 69 students received Silver certification.
 - 97 students received Gold certification.
 - 2 students received Platinum certification.
- 97 students have passed and received [Microsoft IT certification](#).
 - 89 students earned certification as Microsoft Office Specialist
 - 4 students earned certification as Microsoft Office Specialist-Expert
 - 4 students earned certification as Microsoft Office Specialist-Master
- 7 earned certifications in [Automotive Service Excellence](#)
