On Friday March 7, 2014 Everett High Schools Naval Reserve Officer Training Corp (NJROTC) unit will be going through their Annual Military Inspection (AMI) in the gym. The inspector this year is Commander Elaine Collins, the commanding officer of one of our local destroyers, USS MOMSEN (DDG 92).

The events of the day will culminate, in the new Everett HS main gym (at 3:30pm) with a 'Pass in Review' formal military ceremony for families, faculty and administrators. All the Cadets will be in formation in the main gym awaiting the formal arrival of the official party at 3:30pm. The official party will consist of the senior naval officers and administrators. After the formal arrival ceremony ("bonged aboard"), there will be a Color Guard / National Anthem. The Cadet/Commanding Officer will then invite the Guest of Honor (CDR Collins) to 'inspect' the Company. It's a ceremonial walk through the formation, escorted by the Cadet/CO.
